Fire-Rescue Hot Topics and Developments

FIRE-RESCUE FACILITIES

The proposed eastern fire station is in the planning process. This station would be built off State Road 7 and Oaks Road on 1.2 acres of land purchased with the assistance of the Davie Community Redevelopment Agency. The station will house one medical/rescue unit and one fire/resque pumper, as well as a dequate personnel to staff the units. This station is needed to decrease response times for this rapidly developing industrial area. Presently, Fire Station No. 38 on Orange Drive, built in 1984, is undergoing exterior and interior renovations to meet current standards for hurricane prepare dness, health, and safety requirements

INSURANCE SERVICES OFFICE

The Insurance Services Office (ISO)

visited the Town of Davie in December 2002 to conduct an in-depth evaluation of our fire protection services. The Town has not had an ISO survey in nearly ten years. A positive result from this survey may directly influence lower fire insurance rates on residential and business properties. The ISO rating evaluation should also provide significant guidance toward continually improving our fire insurance protection classification rating.

SPECIAL OPERATIONS

The Training and EMS bureaus have been participating in Homedand Security drills sporsored by the federal government. This hands-on training is essential in preparation for any terrorism incident that may happen in our area. The results of these drills will be improvements to our internal oper-

ational guidelines. The department has also received specialized equipment and supplies to assist in preparation and readiness and will be carried in two special operation trailers. With this newly acquired equipment, the Town of Davie can begin to prepare for any disaster or security incident. The Town has also acquired and distributed informational pamphlets on Homeland Security, which are available at all Town facilities.

Your Fire-Rescue Department is constantly preparing for the future. During the past couple of months, the department made several important changes. Seven fire lieutenants and four driver en gine ers were reassign ed to assure continued leadership and technical assistance. With the rapid growth in the Town of Davie, we must constantly meet the increasing demand for emergency services and additional responsibilities resulting from domestic and emerge<u>n</u>cy mana gement security issues. To further that end, the department is initiating a dvancied computerization hardware and software to aid in analysis of response tim es, fire hydrant locations, ma pping routes, and infrastructure.

FIRE PREVENTION BUREAU

The Fire-Rescue Department applied for a Federal Emergency Management Agency (FEMA) grant in March of 2002 for a fire safety trailer and equipment. This grant was recently awarded to the Town for \$65,000. The safety trailer and equipment will be used to educate the young and the

elderly populations of Davie. The department will display the new equipment at all special events to promote fire safety and education. During the past calendar year, the department was awarded more than \$175,000 in various grants and has several other grants pending

SPECIAL PROGRAMS

Our car seat safety program teaches the public how to properly secure a child in a vehicle. This program is a must for parents with young infants and children, and it has been ongoing for the past three years. In addition, our Fire Prevention Bureau conducts juvenile fire setter's classes. These classes teach children and adults the dangers of fire and educate people about home safety and prevention. For information about these programs, call Fire Administration at (954) 797-1213

Tom Truex (Mayor-Elect)

Fire Station #65

A parting message from Mayor Harry Venis

It has been a great honor and pleasure to represent the residents of Davie by serving as your Councilmem ber and Mayor over the past nine years. In 1991, I became active in the Town by serving on several Town boards, including the Planning & Zoning Board, Davie Planning Agency, Chairman of the Water Advisory Board, Vice President of the Davie Fraternal Order of Police, Associates Lodge 100A, and the Budget Advisory

Committee.

On March 8, 1994, I was voted into office for the Town Council and ultimately took my first cath to serve as your Councilmember at the March 16, 1994, Town Council meeting. Winning the election was one of the happiest moments of mylife. It has been the biggesthonor I've ever had because the residents in this community entrusted their vote and confidence in me. I supported the Charter question regarding the people's right to choose a mayor. My sincere interest in public service resulted in being elected the first mayoron March 11, 1997, and being reelected in 2000. After over 60,000. returned phone calls and hundreds of ceremonial events and meetings with members of the Legislative Delegation, I believe I have demonstrated my willingness to tackle the tough issues and serve this community.

Among some of the projects and issues we dealt with were revitalizing the Town's downtown and Potter Park, redefining Davie's relationship with its colleges, making sense of the Town's hodgepodge of water services, improving its parks and recreation programs, and dealing adverse de velopment Townwide. I also wanted a police substation for the western portion of this sprawling Town and in 1994, I was first to propose a new public safety complex, which was dedicated in 1999, ahead of schedule and under budget. I also supported

increased hiring of police officers and the Town's EMS system.

Davie is diverse and has many identities. It is a business and professional community and houses the South Florida Regional Educational Complex. In a Town where the constituency includes equestrians, suburbanites and college kids, it's nearly impossible to please everyone. I have, and will continue, to fight to maintain the high quality of life and our rural character in the Town. I was the only politician in Broward County to turn down he proposed Marlins Stadium because the site was located too close to residential West Davie. I also spon-

A message from Mayor-Elect Com Cruex

If you think Davie doesn't have a rich history, then you have not yet been to the Old Davie School. Located at 6650 Griffin Fload, Davie, Florida (just west of Davie Road), the Old Davie School is a fascinating stop for children and adults. The school was held in a packing house along the canal until 1911, when a wooden, two-room schoolhouse was constructed on a one-acre piece of property. By 1916, the Davie settlement had outgrown the small wooden structure, and the need for a larger school was quickly addressed. The Davie School, designed in 1917 by August Geiger, one of South Florida's most prominent early architects, opened its doors in 1918 to roughly 90 students.

This historic structure was the first permanent school in the Everglades and is now Broward County's oldest existing school building. It was in continuous use as a school until 1980. From the day it opened, the Davie School served as the area's source of education, as well as a center for community gatherings. In 1988 the Davie School achieved listing on the National Register of Historic Places.

Today, the Old Davie School Historical Museum is a historic, cultural, social, and artistic resource dedicated to providing information and learning opportunities for students and the community at large. The

Vice Mayor Gerl Clark - District 1

I would like to take this final opportunity to thank all of you, the residents of Davie, for supporting me as a councilmember and the vice mayor for our Town. Since March 14, 2000, my life has taken a new direction: new experiences and new ways of learning policies and procedures. We have all heard experience is the best teacher; well in that case, I received a college education in three short years.

I cannot express to all of you what an honor and a privilege it has been for me to serve you. I can only try to comfort all of the residents and friends who have called me these last six months, encouraging me and pleading with me to run for re-election. It has been one of the most difficult decisions I have had to make. Tenjoyed working closely with residents. I will miss it. Unfortunately it was not the only difficult decision I have had to face this past year. Ik now I have made the best choice at this time in mylife. We all go through changes, and mynumber one priority has always been miy children. In the beginning, frustration and disbelief at the inequity of services for children, specifically the lack thereof for the children on the east side, including myown children, was my driving force. So, I got involved. I was elected, and I ensured that the east side was treated fairly. I worked to ensure that the east side received some of the same services and luxuries enjoyed in other parts. of Davie. Now, the Town of Davie's PAL Multipurpose Center and Gymnasium has been built, and its doors are open to the residents. Additionally, there is a new community pool at the Betty Booth Roberts. Park, and there are plans for two new park sites in the northeastern portion of District One, which will include Silver Lake. Our families can truly begin to benefit from the new Town of Davie. It is a Town that has courage and which accepts its responsibility. It treats everyone equally, no matter what your address is or how much money you make or the color of your skin. Effort brings results, and I hope my efforts have

Judy Paul-District 4

This year the Town of Davie coordinated the 66th Annual Orange Blossom Festival. The festival took place on February 22, from 10 a.m. to 7 p.m. and on February 23, from 10 a.m. to 5 p.m. The Orange Blossom committee's goal this year was to bring the festival back to its roots, and that is exactly what we did!

We closed down Orange Drive west of Davie Road to the Davie Town Hall to accommodate the festival. Free activities for both days included an arts and crafts show, fine arts show, Old West town, exotic animals, 4-H displays, a live farm living display by Project Stabe, musical entertainment, a Native American Indian display with an authentic tipi, a huge animal farm, an Old West carriage display, a commerce corner, car show, and information displays. There was also a kids' corner that included many bounce houses, a giant slide, climbing wall, magic show, puppet show, playground, and handson arts and crafts for the kids, as well as a visit by Sponge Bob and Spiderman. All these activities were free to fair participants. The Five Star Rodeo was held on Saturday, February 22, at 6:30 p.m. and on Sunday, February 23, at 2 p.m. To close out the day, we held a free country and western street dance.

On both Saturday and Sunday, the Kiwanis had its annual pancake breakfast, the Davie Woman's Club held an old-fashioned Strawberry Festival, and on Sunday, February 23, the Davie Woman's Club sponsored an Crange Cook-off Contest.

If you think Davie doesn't have a rich history, then you have not yet—building represents an irreplaceable link with the history of early 20th-been to the Old Davie School. Located at 6650 Griffin Road, Davie,—century pioneering, settlement, and education in western Broward Horida (just west of Davie Road), the Old Davie School is a fascinating—County.

An exciting new development is the planned relocation of the historic Mele home to the grounds of the Old Davie School. Walking into the Mele home is like stepping back in time, to when Davie's pioneering families fought swamp waters and mosquitoes to make a living on the land. The Mele home joins the Old Davie School as a permanent historical resource for future generations of Davie residents. To arrange a

guided tour or find out more information about the Old Davie School, call (954) 797-1044 or check the Old Davie School's website at www.olddavie.com.

If you need to reach me, call (954) 797-1030, or e-mail me at tom_true x@davie-fl.gov.

brought positive results for everyone.

I trully believe that if one area in Davie changes for the better, everyone in Davie reaps the benefit. Equally so, if one area in Davie is neglected or abused, then it is a negative reflection for all of Davie. Please do not forget the hearts of those who ran Davie government in the past. I do not have to list their names. You know who they are, what little they did to benefit this Town, and how much they accomplished benefiting themselves. These individuals only basked in their name recognition and popularity, but they did not do the job they were elected to do. Being an elected official is not a SOCIAL CLUB, but a RESPONSIBILITY!!! Don't let them forget it. If the positive path Davie has taken continues, we should applaud those serving, but if the path turns crooked and self serving and in the wrong direction for this Town, then I challenge all of you to speak out and act with me until we are on the right path again.

I will not turn my back on the Town and its residents. You are all definitely in my daily thoughts and assuredly in my future. I will take this time to nurture my children while we grow and change as a family. I will continue to be active in my community and the PAL. I am currently the Executive Vice President of the South

Florida Human Fights Council, whose future will be important to the treatment and services provided to all of those who are in need in South Florida, as well as to those who are discriminated against. I will stay involved in the Town government, and will serve you all on the Town of Davie Community Fleations Advisory Board.

I would like to thank the downtown Community Pedevelopment Agency, Rick Case Honda of Davie, Waste Management, Troy Weekley's Rive Star Rodeo, and the Sun-Sentinel for sponsoring this successful festival. Also, I throw big hugs and kisses to the Davie Police Department, Davie Rire Department, Development Services, Public Works, and the Special Projects Departments for doing an outstanding job coordinating this elvent. A special debt of gratitude goes to our Special Projects Director, Bonnie Stafiej. Bonnie is the dynamic and energetic force behind the entire event. Her untiring work and dedicated service to the Town should be an inspiration to everyone who has ever attended a Davie event. Thanks

Congratulations to our new mayor and councilmember on their recent election. I am looking forward to working together with them to do the right thing for all the residents of Davie.

Have a safe, fun summer. I hope to see you at the Independence Day Celebration at Pine Island Park. If you need to contact me, call me at (954) 797-1030, or e-mail me at judy_paul@da.vie-fl.gov.

Susan Starkey-District 3

GOODBYES IN ORDER

I want to thank Mayor Harry Venis for his many years of public service to the Town of Davie. As you know, Mayor Venis decided not to seek reelection. I would also like to thank Yice Mayor Geri Clark for serving. I am sure that these dedicated individuals will continue to serve the Town and their community in a positive way. Best wishes to them as they move on or move up.

AIRPORT

Last year the Town Council assigned me with the job of representing the Town of Davie on Broward County's Airport Advisory Committee. The airport expansion project still remains a big concern to the residents of the Town. Both noise and air pollution will affect most of the Town's population of approximately 78,000 people, 100,000 students, teachers, and staff at our schools and universities, as well as our at businesses and patrons. Increasing the capacity of the airport from domestic and to include international/cargo is not a wise decision for our quality of life. The south runway is proposed to be lengthened to 9,000 feet with a bridge over US 1 (6 lanes), the FEC Railway (4 tracks), and the gas line. In addition, this could potentially destroy 40 acres of wetlands and render miles of beachfront unusable according to recent studies. Current aviation trends have in dicated that this is not necessary as new er aircraft no longer need such a long runway. The Town's position is to oppose the expansion of the south runway and update the Master Plan with current information so that the county can consider all the alternatives to make an informed decision before we spend \$ 529 million. Thie Town recently formed the Davie Airport Advisory Board, and it has been actively working on the issue and has worked hard to inform our residents. Board members have also met jointly with the cities of Hollywood and Dania. Beach and have published and distributed thousands of brochures about "Riespionsible Airpiort Expansion." I want to thank the many Davier esidents who took time out of their busy schedules to contact the Broward County Commission and to attend the public hearing at the Broward County Convention Center on March 5, 2003. If you have not already done so, please continue to voice your concerns by contacting the Broward County Commissioners and Mayor Diana Wasserman-Rubin at (954) 357-7008. The majority of our Town will be impacted with both air and noise pollution, and our quality of life is not for sale. You can also help the Town's Airport Advisory Board by calling (954) 797-1000.

LEGISLATIVE PRIORITIES

The Town Council will continue to work on issues in this legislative session which impact Town residents relative to public safety, environmental protections, ann exation, in frashructure funding, community redevelopment agen-cies, and growth management issues. The last day of regular session is May 2, 2003. This will be a very tight budget year at the state level, and the effects will trickle down to the county and cities. As the Town's representative on the League of Cities, I will domy best to ensure that collectively we stay informed on any changes.

DAVIE WETLAND

The Town is moving closer to acquiring a 115-acre parcel through joint efforts with the Florida Communities Trust. We continue to work with the state and county on making this a reality that all will enjoy.

ANOTHER INTERESTING NOTE

The University Consortium, comprised of Nova Southeastern University, the University of Florida, and Florida Atlantic University, has submitted a proposal to the U.S. Geological Survey (USGS) to establish a multidisciplinary science center in South Florida. This consortium, with Broward County and the Town of Davile, will seek to establish a comprehensive scientific hub for environmental research, development, and education, including libraries and computer systems. The USGS will be responsible for the next 20 years of the Everglaides Restoration Project.

TRAFFIC ISSUES

We wish to thank the Broward County Traffic Engineering Division for the long-a waited traffic light at 36th Street and Pine Island Road. This will pro-

vide the needed relief for safety at Pine Island Park, Bamford Sports Complex, and Silver Ridge Elementary School. We continue to move forward with the recommendation from the Nob Hill Traffic Study Committee for an additional exit at SR 84, eastbound, for the police and fire complex located on Nob Hill Road. This will provide a secondary exit for the emergency vehicles and will assist them with the overall safety response for our community. We will need the cooperation of the State of Florida and the Broward County Departments

Transportation, as well as from the Broward County School Board.

The spring season is here, and once again, the Town will offer a number of wonderful events and activities. I hope to see you at these events. Should you have an item or concern that needs attention, but are not sure who to contact, you can enter this concern on our website: www.Davie-fl.gov and click the "Talk to Us" button to enter your information. Should you need to reach me, please call (954) 797-1030 or e-mail me at susan starkiey@davie-fl.gov.

Mayor's Message continued from page 1

developers from changing site plans. on development projects without Council approval.

I supported competitive bidding for contracts and was responsible for eliminating over \$6,000,000 by cutting the fat out of the budget and renegotiating contracts over the past nine years. I recently spearheaded bidding for the Town's health insurance and the anticipated savings is to be \$1,000,000 from this effort.

Having two young children, I came to this Town with a strong belief that the Town should make its voice heard on education issues, and we successfully lobbled the school board for two new schools: Indian Ridge Middle School and Fox Trail Elementary School.

I wanted to use my accounting expertise to improve Davie's financial decision making and insisted that more money be spent on better roads and landscaping for eastern areas. I accomplished this by adding new sidewalks, repaving over 40 miles of roads, and lobbying

sored an ordinance that prohibited the county for new traffic signals. Over the past nine years, we maintained the operating millage rate to Davie residents (with no operating millage increases for nine years) and sponsored an ordinance for additional homestead exemption for seniors. Linsisted on better business practices for the Town and adopted a five-year capital projects plan for Town improvements, which we neverhad in the past. We also have quarterly financial reviews on cable TV to gauge the Town's financial position.

> We established the Code of Ordinances Board and established and chaired the Davie Water Advisory Board. I worked diligently on a dan that would allow the Town to acquire existing facilities and transmission lines to meet the increased need for water. We battled with the City of Sunrise over unjust water rates charged to our residents and introduced legislation to repeal the 25 percent surcharge, and provided a means for Davie residents to voice concerns regarding rates and water quality through the

Public Service Commission. We initiated a lawsuit with Sunrise and obtained in excess of \$6 million. II. was also successful in lowering water rates for Davie utilities customers by 28 percent.

Coming into office with the "To-Do List' mentioned above, I managed to cross off several items and completed much of my visions for Davie. Other challenges and ventures that I successfull y spearheaded include:

- Fought and obtained funding from Broward County for a \$5 million library for Davie families; completion date 2001 (State Road 84 and Hiatus Road).
- Obtained a seat on the Broward County Metropolitan Planning Organization.
- Brought Young at Art Children's Museum to Davie.
- Sponsored ordinance to prohibit blasting in Davie.
- Transformed our EMS services from a private company to our own fire department at the same assessment.
- Established a separate Planning

- Dept. and hired a Planning Director.
- Fought for three years with state and county officers to have Reese Road realigned. Construction was completed in early 2000.
- Supported the expansion and completion of the Bamford Complex and many pocket parks throughout the entire Town.

Davie will always be a part of me, and I will continue to follow the issues and stay involved. Again, thank you from the bottom of my heart for the opportunity you gave me and the trust you afforded me in serving as your elected official.

In dosing, I want to thank my family. m v wife Audre v and m v two children. Harry Jr. and Kathleen, for allowing me to spend a lot of time away to do my job in Davie. Hopefully, their sacrifices were the residents' gain. Thank you again for entrusting your confidence in me. I am very proud to have been a part of this communitVs vision.

Planning & Zoning Division

The Planning and Zoning Division currently has 15 staff members. This num ber has grown over the vears as the Town has in creased in both population and acreage. The current staffing level is at an alltime high, just as the Town pre-pares to face the challenges of rede velopment and ultimate build

The Planning and Zoning Division (P&Z) is the group charged with ensuring that growth takes place in an orderly manner. This has been accomplished through the identification of land uses, or areas suit-able for growth, in the Comprehensive Plan first adopted by the Town in 1980. The Comprehensive Plan has acted as the Town's road map for future growth. This plan identified natural areas worthy of protecting and innovative ways to preserve these areas. In addition, lands suitable for development were identified based upon location and access. Based upon the map first introduced in 1980, the Town has stayed true with this vision, while growing in a manner consistent with the plan. This is a rare feat in Broward County.

What role does P&Z play?

The Planning and Zoning Division, an integral part of the Development Services Department, is responsible for providing land use and zoning information to developers, local governments, residents, and Town staff. The division also provides staff support to the Planning and Zoning Board and the Site Plan

The division is divided into four groups: comprehensive planning, current planning, administrative, and landscaping. The following is a brief description of the function of each group.

Comprehensive Planning—This group administers the Town's group administers the Town's Comprehensive Plan. It also reviews and processes plat and vacation of right-of-way applications, as well as provides GIS and graphic supposed to the control of the cont graphic support for land use mat-

Current Planning—This group reviews and processes all land use and building permit applications and is responsible for alcoholic beverage and occupational be verage and occupational licenses. It also provides guidance on the land development process.

Administrative—This group promotes internal and interdepartmental communication. It provides general direction, leadership, and support for the various tasks handled by the division.

Landscaping-This group promotes, enhances, and protects the Town's natural and built appearance through the administration and enforcement of the Town's Landscaping Code.

The division's hours of operation are from 8:30 a.m. to 5 p.m. Our professional staff is here to assist and answer all types of questions. Ask us about invasive plant species permitted uses setbacks, and more. We will be happy to

The Planning & Zoning Division

BIENVENIDO

BIENVENUE

RENVENUTO

WILLKOMMEN

The Town has recently hired some new key personnel. We would like all residents to be acquainted with their public servants. With that in mind, we have provided, for your perusal, some professional information about these new, outstanding employees. If you have occasion to interact with any of these individuals, please give them a big DAME welcome!

Michael Orfanedes Urban Forester Planning & Zoning

Michael Orfanedes joined the Planning and Zoning Division on Tuesday, February 18. Michael will serve as the Town's Urban Forester, which oversees all landscaping and tree activities in the Town and supervises the landscape inspectors. He comes to the Town of Davie from Proward County's Extension Education, where he served as exten-

sion agent III in commercial horticulture. Michael brings excellent communication skills and a strong background in the fields of forestry and horticulture, as well as Florida's landscape practices. Michael eamed a bachelor's degree in agronomy, as well as master's and doctorate degrees in Weed Science from the University of Illinois at Urbana-Champaign.

Chris Richter Landscape Inspector Planning & Zoning

We are pleased to announce that Chris Richter has been promoted to the Chief Landscape Inspector position. Prior to joining the Town, Chris was employed by the City of Plantation as the urban forester. Chris holds a degree in Science from Florida State bachelor's Education University. Congratulations to Chris for her dedication and hard work, as well as for taking on the prime responsibility of landscaping activities for the Town since November 22, when Jack Martin took a position with Public Works

Charmaine joined the Town on November 18, 2002. She was employed for ten years with Manufacturers Hanover Trust Company, the fourth largest banking institution in New York City, with the most recent position as a credit analyst, before relocating to South Florida. She worked with the City of Hallandale for four years [Finance Department] and the City of Tamarac for two years

as the manager of the Customer Service Division, Finance Department. Her human resources career began at the City of Lauderdale Lakes and continued at Sun International Corporation. Her human resources experience includes recruitment, interviewing, testing, benefit management, pay classification studies, and payroll. In addition, she has a bachelor's degree in Marketing and is a member of the Society for Human Resources Management.

Cultural Classes and Events in The Town

2nd Annual Florida Music Awards & Festival

to honor state's best music artists.
Ray Charles will be among the stars to perform and to receive Lifetime Achievement Awards at the Bergeron Rodeo Grounds of Davie.

The Horida Music Awards Show & Festival will be held May 16 (Fri.) and May 17 (Sat.) at the Bergeron Rodeo Grounds (4271 Davie Road), a beautiful setting that features a 5,000 plus-seat covered pavilion in Davie, Florida (Just South of Fort Lauderdale and North of Miami).

The Florida Music Awards will be

recognizing Ray Charles with a Lifetime Achievement Award on May 16. Ray Charles will perform a full show with the Peter Graves Orchestra. Also performing will be last year's multi-award-winning artists, the Hep Cat Boo Daddies and Dana Paul, with special guest artists to be announced. Memorial Day

The Scoutmasters Camporee Committee and the Town of Davie would like to invite you to attend the year 2003

Memorial Day Weekend observance and activities. This year's activities will take place on Monday, May 26.

Memorial Day is that one special day in the life of all Americans when we have the opportu-

nity to recognize the sacrifices that so many devoted Americans made to keep our guarded way of life intact. The MEMORIAL DAY PARADE and SERVICE are a perfect way to celebrate the American spirit of patriotism.

For information, call (954) 797-1166

The Town of Davie Seeks Crafters

The Town is seeking crafters who handcraft their items. If you fit this category, please call (954) 797-1153 for registration information. The following are the dates for the upcoming craft shows: July 4, 2003 (in conjuction with the Fourth of July Splash and Fireworks Show); September 1, 2003 (in conjuction with Labor Day Family Splash); and November 15 and 16, 2003.

All shows have entertainment and food.

6 ----- Davie Update

Important Flood, Drainage, & Insurance Information

FLOOD INFORMATION

One of the reasons Davie is recognized for its good flood management policies is that the Town provides public information regarding flood hazards, flood safety, flood insurance, flood protection measures, and permitting requirements.

Davie is obviously not subject to overflowing rivers, mudflows, dam breaks, or winter thaws; however, Davie is in a low-lying area and is prone to substantial rainfall due to its subtropical climate.

Almost all the land area in Davie is in a floodplain; however, the Town maintains development standards which ensure that homes and businesses are built above the potential flood elevation. To determine if you live in or own property in a flood-hazard district, contact the Town's Development Services Department at (954) 797-1111. It possesses a map that indicates the floodway areas in Davie. There are also other pamphlets available which discuss items of interest to residents of flood-hazard areas. These may be obtained at the Broward County Main Library and the Davie-Cooper City Library.

COMMUNITY RATING SYSTEM UPDATE

Town of Davie residents will continue to receive a 5 percent reduction in premiums for flood insurance for their homes. The discount results from the Town of Davie's participation in the Federal Emergency Management Agency Community Rating System.

The CRS program recognizes communities that participate in the National Flood Insurance Program (NFIP). This program does the following: it educates the community about local flood hazards and regulations; it restricts development in flood-sensitive areas; and it establishes floodprepare dness and warning programs. Individuals who reside in communities that utilize such floodplain policies and regulations benefit with reductions in annual flood insurance premiums.

FLOOD INSURANCE

Standard homeowner's insurance policies do not cover losses due to floods. However, Davie is a participant in the NFIP, which makes it possible for Davie property owners to obtain federally backed flood insurance. This insurance is available to any owner of insurable property (a building or its contents) in Davie. Tenants may also insure their personal property against flood loss.

The average annual premium for this insurance is \$250. The actual cost will vary depending upon the amount of coverage and the degree of flood hazard. We urge people who live or own property in flood-hazard areas to purchase flood insurance to protect themselves from losses due to flooding. This insurance is required in certain instances, such as the purchase of a

home with a federally backed mortgage.

FLOOD INSURANCE RATE MAP INFORMATION

The Davie Planning and Zoning Division is the community's primary source of information regarding Flood Insurance Rate Maps. Since almost all of Davie is in a Special Flood Hazard Zone, it is important to know the base flood elevation of any property and the flood insurance purchase requirements, if applicable. If you have any questions regarding Flood Insurance Rate Maps, call (954) 797-1103, or stop by the Town of Davie Planning and Zoning Division during the hours of 8:30 a.m. to 5 p.m., Mondaythrough Friday.

PROPERTY PROTECTION MEASURES

There are various actions that can be taken to protect property from flood damage. Electrical panel boxes, furnaces, water heaters, and washers and driers should be elevated or relocated to a location less likely to be flooded.

If flooding is likely, move essential items and furniture to the upper areas of your home. Keep materials like sandbags, plywood, plastic sheeting, and lumber handy for emergency waterproofing. This action will help minimize the amount of property damage caused by floodwaters.

DRAINAGE SYSTEM MAINTENANCE

The Town is served by a system of primary and tributary canals and swale areas that are manmade facilities constructed originally drain the Everglades and are currently used accommodate the flow of water for storm water management purposes. They are maintained on a regular basis by our drainage districts, i.e., the Central Broward Drainage District, the South Broward Drainage District, the South Florida Water Mana gement District,

and the Tindall Hammock Drainage District. These drainage features are critical to the success of water management practices, which are incorporated into the development review process. State law prohibits dumping or unauthorized obstructions or alterations of the drainage canals or swale areas. Residents should be alert to protecting water quality, as the Everglades is essential to our environment.

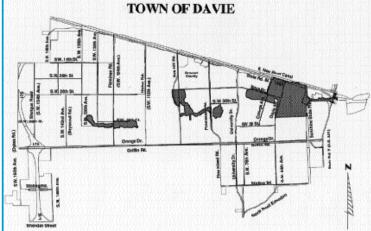

PERMIT REQUIREMENTS

The Town of Davie has adopted regulations regarding development in flood zones. The purpose of these regulations is to control the alteration of the natural floodplains; to prevent or to regulate the construction of flood barriers that will unnaturally divert floodwaters or which may increase flood hazards in other areas; to restrict or to prohibit uses that may result in damaging increases in erosion, flood heights, or velocities; and to control filling, grading, dredging, and other development that may increase flood damages.

Davie currently regulates development within the natural floodplains through the development review process, whereby building or engineering permits are required prior to construction, filling, or otherwise altering the natural elevations of a site. Prior to commencing any site development or construction work, it is recommended that the Building Division be contacted so that the appropriate permits may be secured as necessary.

Elevation certificates are required as part of the permitting process for all newly constructed or substantially improved buildings in Davie. A substantial improvement is defined as any repair, reconstruction, or improvement of a structure, the cost of which equals or exceeds 50 percent of the market value of the structure before the repair is started or if the structure is damaged and is being restored before the damage occurred. The certificate documents the base flood elevation of new buildings and is available to insurance agents or any inquirers. It facilitates accurate insurance ratings.

If you have any questions regarding elevation certificates or permits in Davie, contact the Building Division at (954) 797-1130.

In January 2003, one of the award winners, along with other winners standing by him, reads his essay at the Martin Luther King, Jr. Celebration at the new PAL Multipurpose Center. The Town Council listens intently. The councilmembers pictured are, from left to right, Vice Mayor Genry Clark, Council person Judy Paul, then Council person and now Mayor-Bect Tom Truex, and Council person Susan Starkey.

Troy Weekley and Bonnie Stafiej display the two plaques that were awarded to the Bergeron Rodeo Grounds and the Five Star Rodeo. The former was awarded the "Best Maintained Grounds" in the country and the latter was awarded the "Best Rodeo" in the country.

What should these colors mean to us?

Those are the colors of the Homeland Security Advisory System (HSAS) — a stablished to provide a comprehensive and effective means to desarrainate information regarding the risk of terrorise tattacks to all levels of government... and to "we, the people of the United States of America". Each color corresponds to a level of risk and associated protective measures, however they are primarily Agency related. In an effort to 'bring these colors home', NSDI offers some general suggestions as its our levels of vigilance, preparedness and readiness in the face of these threat conditions.

Tennis Leso

the martial arts for over twenty-five vears. Classes are Tuesdavs and Thursdays from 6 to 7:30 p.m. The fee is \$20 per month. No uniform is required. For more information, call Ray at (954) 961-8741.

Summer Food Program Grant

The Town of Davie Parks and Recreation Department has once a gain applied for the federally funded food program for this summer. This program is offered by the Florida Department of Education, which offers free lunches for eligible children for 8 weeks. This program begins June 16 and runs to August 8 at Eastside Community Hal. Lunches are served between 12 noon and 1 p.m. The sites are open to serve children 18 years and younger, even if they are not in the program. For additional information, call Bette Gibson at (954) 797-1089.

SUMMER JOBS AVAILABLE!

Do you enjoy working with children? The Town of Davie will be hiring program supervisors, activity leaders, counselors, and jr. counselors for our summer recreation programs. Contact Human Resources for an application at Town Hall, 6591 Orange Drive, Davie, (954) 797-1100.

Orange Park Community Center 841 SW 133 Avenue

The Orange Park Community Center reopened its doors for afterschool children and teens on January 17, 2003.

The program has scheduled activities Monday to Friday from 2 to 7 p.m. with special trips and activities that may alter operating hours

"We offer a safe environment for children to come and to challenge their minds. The center offers structured programs and has had an overwhelming response," stated Crew Leader KellyMonaco.

If you are interested in finding out more information a bout the program or would like to sign up, please contact Kellyat (954) 423-5118.

Parks & Recreation - Aquatics & Figness

Pin elsland Park Aquatic and Hitness Center 3800 S.W. 92 Avenue Davie, Florida 954-423-5107

Pine Island Park, which opened in 1991, is a 113-acre full-functional active park, pool, and fitness center. The park is the home of the Robert H. Bamford Sports Complex, which opened in 1992. It is a Town regional park and is open to all residents. The park can be accessed by car, horse, bike, or foot. Sidewalks are available from both Orange Drive and Pine Island Road. Pine Island Park sits amid a rare Oak Hammock and is striking in its rural charm. The pool facility is a favorite of Olympic athletes and colleges for winter training.

Aquatics Complex
The Aquatics Complex offers many
state-of-the-art am enities to its mem-

state-of-the-art amenities to its members.

The pool, which has a heating and cooling system, can be composed in two ways: an 8-lane, 50-meter by 25-yard competition pool or 14 short course lanes with straightening blocks. There is also exterior lighting, which is ideal for evening swims and a hand-capped "0" depth pool ramp.

Water temperature is kept at 84 degrees year-round.

Water polo goals

Water basketball

Shade structures with lounge chairs lining the perimeter of the pool •2,000-gallon 18″-deep kiddie pool with a mushroom fountain

Showers equipped with handicap
access, lockers, and locker rooms

Terrace patio with snack bar

Pin e Island Aquatic Complex

Summer Hours
The Pine Island Pool will be open
Monday through Friday from 9 a.m. to
7:45 p.m. and on Saturday and
Sunday from 10 a.m. to 5:45 p.m.

Nonresident Youth:

Hub of Summer Fun

The summer season starts in early June with the annual invasion of sum-The work the armulation as son to such mer camps. Local daycare providers apply for use of our facility during the winter and are assigned hours that they may use the pool. With the campers here, we are very busy ensuring that everyone has a safe and fun day. In addition, our lifeguard staff

swim tests each and every camper who uses the pool and assigns non-swimmers to a specific area of the pool for their protection. The camp counselors go through a water-safety or enselors gothrough a water-safety ori en-tation program conducted by the Town's Aquatics Technician. Summer campers utilize the pool from 10 a.m. to 3 p.m., Monday through Friday. At all times, there is space for recre-ational swimming, as well as for lap swimming. For more info on Davie summer camps, please call (954) 797-1145.

Lifeguard Jobs in the Town of Davie
Now is the time to begin thinking a bout summer employment!! If you are interested in becoming a lifeguard, the Town will be accepting applications in April! You must be at least 16 years of age at the time of kire and must currently possess both certification as an American Red Cross lifeguard and American Red Cross CPR for the professional rescuer. For more information, please call Rochelle at (954) 423-5108

Betty Booth Roberts Park & Pool The Town of Davie is extremely excited to announce the grand open-ing of the Betty Booth Roberts Park and Pool, which opened February 15. The pool is located at 4200 S.W. 61

Avenue. The pool is 33 yards by 13 yards, with a heating and system which keeps the pool at a comfortable 86 degrees year-round. The pool is staffed by certified American Red Cross lifeguards and lifeguard instructors. The park includes one full-size basketball court and one quad basketbask ethall court and one quad bask et-ball area, an open athletic field area, two picnic shelters, and a recreational path. For more information, please contact Rochelle or Julio at (954) 797-

Summer Hours
The Betty Booth Roberts Park will be open Monday through Friday from 9 a.m. to 7.45 p.m. and on Saturday and Sunday from 10 a.m. to 5:45 p.m.

SwimAmerica Aquatic Programs

\$1.50

For Information on Davie Aquatics Programs Call: (954) 452-2991 Website: www.browardaquactic.com Visit: Pine Island Community Pool Office 9-6 p.m. daily

About Our Program

Swim America lessons are taught at all the Town of Davie aquatic facilities. SwimAmerica lessons allow your child to progress quickly, assuring the maximum skill development. Summer water fun is just around the comier, and spring is the best time to lay the foundation for a water safe summer. We hope you will take advantage of this time to build your child's water confidence to ensure a safe summer.

Group Lessons

We believe in our flust one-half-hour per week" process and have found swimmers who attend weekly lessons get the consistent exposure to instruction they need to develop strong skills and water confidence. Swimming is a life-saving skill, and your child needs consistent exposure to retain skills and to develop into a confident swimmer.

About Our Less ons

- Town of Davie is "the best place to teach kids to swim "
- Experienced staff and certified teachers
- Heated pools
- Focus on fundamentals and safety
- Small class ratio is 1:5
- Costis \$9 per lesson
- Scholarships are available
- Welcoming family atmosphere
- You can start at any time, convenient once a week orm ore lessons
- Easy online registration
- Convenient on-site registration, M-F, 9 a.m. to 6 p.m. at the Pine Island Pool
- Private and semiprivate lessons are available

- Special needs children are welcome; call for more information
- Adult swim lessons and triathlete stroke work available

SPECIAL NOTICE: Your child's accredited preschool or kindergarten is eligible to receive up to 10 free swim and safety lessons. Broward County School Board funds in-school swim lessons to ensure your child's safety in and around the water. Please have your school's administrator call Juli e at (954) 452-2991 for more information.

Competitive Swim Team

Davie's Broward Aquatic Swim Team is a unique, com petitive experience. Your child will train with som e of the best professional coaches in the U.S. in our beautifully, heated 50-meter pool. Beginners through national-and in ternation al-level swimmers get the training and skill development they n eed to excel. Currently, we are trainin g children as young as five years of age, in addition to three-time Olympic gold medalist Brooke Bennett, American record holder Maritza Correia, and Irish record holder Chantal Gibney.

About our Team

- · Year-round swim team
- Start at any time
- Convenient daily training schedule
- We focus on the fundamentals for our beginners
- We provide a highly competitive atmosphere for our advanced age group and senior swimmers One of the best coaching staffs in
- the U.S. committed to developing your child's potential
- Currently training Olympic gold medalist and national record holders
- Head Coach Peter Banks helped over 40 swimmers receive college scholarships
- Fun, family atmosphere on deck every evening
- 75% of our swimmers are honor roll students
- Novice swimmers compete locally
- · We love kids and want to help them grow into great adults

A warm family atmosphere, caring, knowledgeable coaches, some of the nicest kids in Davie, and a beautiful facility combine to provide your child with the opportunity of a lifetime in competitive swimming. Call Rob Emary at (954) 563-4930 for more information, or check out the website at www.browardaguatic.com.

Water Polo

Davie's Broward Aquatics Water Polo Team provides competitive water polo oppartunities for children 8 to 18 who train on the Broward Aquatic Swim Team. The team is open to swimmers from the novice level to national players. Currently, we have a player on the U.S.A. Water Polo National Age Group Team, as well as over 30 intermediate and novice players.

This team is only open to swimmers on Davie's Broward Aquatic Swim Team because it demands a high level of swim skill and conditioning. Everyone loves water polo! Call Rob Emary for more information.

Other Aquatics Programs

Lifeguard Training

Open to swimmers 15 and over who wish to become certified lifeguards. Successful candidates will be certified in CPR, life quard training, first aid, and AED . Classes are offered in the spring and summer. Register early to ensure

your place. Call the Red Cross at (954) 763-9900 to register.

Jr. Lif eguar d Cam p

Children 8 to 12 love this challenging camp. Learn more about water safety and the job of a lifeguard. Campers will learn about injury prevention, how to respond in an emergency, life-saving assists, as well as caring for head, neck, and back injuries. This camp includes fitness and a water workout daily. Register early, as there are only 12 jr. lifeguards per session. Call (954) 452-2991.

Water Aerobics

Why not get your work outs in the pool? Water aerobics is low-impact and highspirited fun for everyone. Come join in at the Pine Island Pool. Call (954) 423-5107 for more information.

Lap 9⊌im

Lap swim is available daily at the Pine Island Pool. Come swim with us and get a great work out for your cardiovascular system. We have dedicated lanes available all day. When necessary, lap swim lanes must be shared.

Pool Party Rentals

Why not entertain your family and friends at the beautiful Pine Island Pool? Your next party or event will be a hit if you reserve a date at the pool. Call Rob Emary at (954) 563-4930.

Parks & Beereation--Sports

Bamford Sports Complex 3800 S.W. 92 Avenue

Youth Basketball

Registration for this program begins on Monday, April 14, and ends on Saturday, May 24. The program costs \$70 for residents of Davie and \$95 for residents of other municipalities. The program will be open to boys and girls ages 8 to 14. At present, the program is corecreational, but as the numbers of our girl participants continue to grow, we will offer both boys'and girls' divisions in this program. The program will begin on Saturday, June 7, with play-ers' rating for all age divisions. Age will be determined as of how old your child will be on June 1, 2003. Past participants from the 2002 season will receive applications in the mail during the month of April. For additional information on this program, please contact James Marold at (954) 916-4463.

Youth Basketball Coaches

The Town is in need of volunteer coaches for its youth basketball program. Any persons interested in volunteering their time to the youth of this comm unity should contact Mark Domacker at (954) 423-5110, or com e to our offices located at 3800 S.W. 92 Avenue.

Tackle Football League Information

Registration for this program will begin on Monday, March 24, and closes on Saturday, June 21. The tackle teams are open to boys ages 6 to 15, and the league age is determined as of how ald your child will be on

July 31, 2003. Based on our new league fees, the cost of the football program has increased. Our registration fee will still be \$100 for residents of Davie and \$125 for nonresidents. The tackle football teams will begin practice the second week of July. Your registration fee covers uniforms, equipment, officials, awards, and insurance. Each child will be required to have a pair of cleats. For additional information on this program, please call Craig Sargent at (954) 916-4462.

Tackle Cheerleading: Program
The Town will accept registrations for cheerleading from Monday, March 24, through Saturday, August 2. The program is open to all girls ages 7 to 15 and is \$35 for residents of Davie and \$55 for nonresidents. For additional information on this program, please call Craig Sargent at (954) 423-5110. Tryouts for the squads are scheduled for the first week in May.

Youth Flag Football

Registration for our flag football program is open from Monday, May 5, through Saturday, August 2. The program is open to boys and girls ages 4 1/2 to 12, and the cost is \$70 for residents of Davie and \$95 for nonresidents. The program will begin the third week of August.

Flag Football Cheerleading

Registration for our flag cheerleading program is open from Monday, May 5, through Saturday, August 2. The program is open to girls ages 4 1/2 to 8, and the cost is \$35 for residents of Davie and \$55 for nonresidents. The program will begin the third week of August.

Hag. Tackle & Cheerleading Coach

The Town is in need of coaches for its tackle squads, flag football teams, and cheerleading squa.ds. Those people who have som e experience in these activities and would like to volunteer their time to the youth of the community should contact the Sports Division at (954) 423-5110. The head coaches for the Davie Bronco Tackle Football Squads have been selected for the upcoming year. They are as follows:

PeeWee Squad .		.Randy Cox
80lb.Squad.	700000	.Todd Wilder
901b, Squad .		.Bryan Baucom
1001b. Squad .		.Richard Clark
1151b. Squa.d .		.Don James
1351b. Squad .		.Brian Smith
1551b. Squad .		.Gary Shimko

Back ground Checks

The Town of Davie requires annual background checks for the all volunteer coaches. The background check process includes fingerprinting by the Davie Police Department. Please contact any of the sports staff for further information, and thanks for helping the Town provide safe youth programs.

Sportsmans hip Training

The Town gave all the families from girls softball, baseball, and in-line hockey the opportunity to attend two separate classes held in January and February. Anyone who was unable to attend those classes will be given another chance in May. Any parents registering for the upcoming sports of basketball, cheerleading, and football should make a point of attending the class in May.

Parks & Recreation--Registration & Refunds

Your town's park areas, facilities, and recreational programs are here for you, your family, and your friends to enjoy. By following our policies and procedures, you can help us ensure that all users have a happy and safe time during their park visit or facility rental, as well as when they participate in a Town of Davie program. The following are some of our key policies, which are applicable to all users. If you should have any questions about any of these, please contact any of the Parks and Recreation . staff, or call the Parks and Recreation Office at (954) 797-1145.

REPUND POLICIES Class Cancellations

Full refunds will be granted if classes, activities, or rentals are canceled by the Town. Refunds take three weeks to process. Please return a copy of your receipt or your confirmation card. Instructors, activity dates, locations, fees, and times are subject to change

Participant Refund

Prior to the first day of an activity or class, refunds will be issued upon written request. After the first day of an activity or class, no refunds will be issued. Mail your requests to Parks and Recreation Department, 6901 Orange Drive, Davie, FL 33314, Attn: Adm. Aide. A \$10 administrative fee will be deducted from the registration fee refund.

Park and facility permits are issued on a first-come, first-served basis. Our facilities are rented throughout the year and are often reserved several months in a dvanice. Please call (954) 797-1145 or (954) 797-1147 for the most current fee schedule. Dates are n ot guaran teed until the Town receives paym en t for the permit. The Town reserves the right to cancel permits due to unforese en circumstances or acts beyond its control.

For facility rental information, please call (954) 797-1147, and we will check the availability of the date and facility you are requesting. You may also leave the above information on the voice mail system.

If the date for the facility is available and is at least one month prior to rental date, the Town will utilize the mail-in permit system to reserve the date for you.

If the date requested is within the same month, you will be instructed to come into the office and pay for the permit in cash. There will be a \$10 administrative fee charged if you cancel, change your date or time, or arrive late.

In case of an emergency during your use of the facility, park rangers can be reached by dialing (954) 497-6397. Enter your telephone number from a touch-tone telephone, and the ranger will return your

MAIL-IN REGISTRATION

Looking for an easy way to register for programs? Please call the Parks and Recreation Department at (954) 797-1145 tore quest a mail-in registration form for any of our programs. The deadline date will be indicated in the activity description. Fill out the form completely, attach your proof of residency (current utility hill with your complete address on it), enclose your check made payable to the Town of Davie, and mail it to the adoress on the form. Please remember to sign the bottom of the form!

Town of Davie's Actors Community Theatre

Murder and mystery coming to the Pine Island Multipurpose Center By Keli Davis

The Town of Davie's Actors Community Theatre will present The Mousetrap by Agatha Christie in May as the final production of its 2002-2003 season. Agatha Christie is one of the world's most renowned mystery writers, and The Mousetrap is her most popular stage play.

The Mousetrap opened at the Ambassa dors Theatre in London in 1952 and is now in its 51st season, making it the longest-running play in history. This feat surprised marry, including Christie herself, who only predicted a run of eight months.

In classic Christie style, The Mousetrap is a murder mystery that is packed full of suspense from beginning to end, with a "gotcha"

twist. The story is centered around a bed-and-breakfast where the guests are snowed in with a murderer among them. Each guest is not only a possible suspect but also is a possible victim. Will the daring inspector discover who the murder er is before the snow melts and helshe gets

For more information or to obtain tickets for the show, contact the Town of Davie Special Projects Department at (954) 797-1153, or email at actofdavie1999@yahoo.com.

Civilian Police Academy

The Davie Police Department will begin a ten-week Civilian Police Academy on Monday, April 28, 2003, to Monday July 7, 2003. Class hours are from 7 to 10 p.m. (**Mon days Only**) and will be held in the CommunityRoom at the Davie Police Department, 1230 S. Nob Hill Road. The Civilian Police Academy is open to anyone who lives or works in Davie and will provide attendees with a firsthand look at police work. The topics being discussed will be firearms familiarization, gangs, the criminal justice system, use of force, community-oriented policing, patrol and investigation, as well as taking a look at other units within the department. Attendees will also have an opportunity to ride a shift with an officer if they desire.

For registration or additional information, call (954) 693-8265

Fraternal Order of Police Associates

The Fraternal Order of Police Associate Lodge 100 of Davie is having a mem bership drive. Our Lodge is the civilian arm of the Police Department, and two of our responsibilities are honoring Officers of the Month and Officers of the Year. We also assist officers in distress and officers injured in the line of duty.

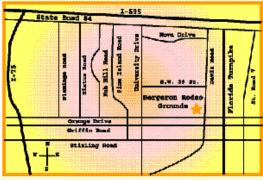

We meet in the Community Room at the Public Safety Building on the second Monday of the month at 7:30 p.m. There are guest speakers, and refreshments are served. You are invited to attend as our guest.

For further information, call Lil Olfern at (954) 475-9310.
